Don't let the name fool you. Dave Coverdale's post-Deep Purple bands big hit with a MUST-SEE video clip. This song has one of the most amazing solos of the 80's. John Sykes plays a "rent-is-due" solo, which will challenge all your skills: bending\ sweeping\ string skipping and a vibrato to die for. Enjoy! ...is this the love that I've been searching foaaoor?!
